

ST. JOHN'S HOSPITAL
TWICKENHAM

ANNUAL REPORT
AND ACCOUNTS

1940

Hospital Telephone :

Popesgrove 1856

St. John's Hospital

was founded by the late Miss Elizabeth Twining in 1878; her family had lived in Twickenham for seven generations.

Miss Twining devoted the greater part of her life to the poor, and towards its close gave almost the whole of her resources to founding and erecting St. John's Hospital.

The building is of considerable artistic merit, and is constructed with the best materials and workmanship. It was opened, free of debt, by the late Duchess of Teck, the mother of Queen Mary.

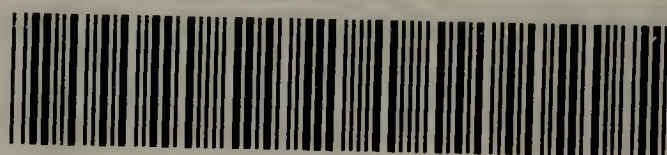

The two main wards were extended in January, 1932, and were officially declared open by her Royal Highness The Princess Royal on 6th March, 1932. The property is vested in the Charity Commissioners, but the income from the endowment only covers a small proportion of the yearly expenses—in the remainder the Hospital is dependent upon Annual Subscriptions, Collecting Boxes and Special Efforts. The aim of the Committee is to embrace and represent all sections of the Community.

The Medical Staff is honorary, and includes eminent London Consultants. The most serious operations are performed, and casualties are treated at all times. The great need of the Hospital is an increase of its endowments.

It acknowledges, with much gratitude, the many special efforts that are so generously made on its behalf, but these are necessarily fluctuating and uncertain, whilst its yearly upkeep is permanent and increasing.

Visiting Days.

The Hospital may be inspected daily by Subscribers and their friends after 3 p.m., on application to the Matron, and is open to the friends of Patients on Wednesday between the hours of 7 and 8 p.m. (adult patients only), on Friday between the hours of 3 and 4 p.m. and 7 and 8 p.m. (adult patients only), and on Sunday from 2 to 4 p.m.

Report of the Committee of Management.

1. The Committee of Management beg to submit to the Subscribers of the Hospital their Fifty-eighth Annual Report for the year ended 31st December, 1940, and to call the attention of readers to the fact that in the interest of National Economy of Paper this issue has been further curtailed.

Medical Staff.

2. A welcome addition to the Hon. Medical Staff has been made—Mr. Neil Sinclair, F.R.C.S., having most kindly placed his services at our disposal to assist our existing Consultants, who find an increasing demand made on their time by the Government Emergency Hospital Scheme.

Committee of Management.

3. Mrs. E. M. Spratley has been compelled to retire owing to the demands on her time by War Work, while Mrs. E. S. Huntingford and Mr. P. J. Walker have been elected to seats on the Committee, and Mr. J. R. Potterill has been nominated by the Twickenham Ratepayers' Association to take the place during the War of Mr. E. Holtzer, who has been transferred from Twickenham for War Duties.

Life Governors.

4. The Hon. Life Governorship of the Hospital has been conferred on Mr. J. H. Mears as a mark of the Committee's appreciation of his work for the Hospital in connection with the Richmond Boxing Day Charity Regatta.

Maintenance Income.

5. The following table gives a comparison of the ordinary Income for the past three years, and it will be seen that notwithstanding so many additional calls on the generosity of the public, St. John's has not been forgotten—a fact for which we are most grateful. It will be noticed that in these accounts, as well as in the Expenditure Account and the Statement of Accounts, £'s only are given in accordance with the desire of the King Edward's Hospital Fund for London.

(b) **Donations.**—Unfortunately owing to the War we have lost for the time being the very outstanding assistance we have annually received from the Charity Cricket Match, the Charity Rugby Match, the Hospital Ball, Miss Daphne de Lisle's Dancing Parade and the Garden Fete, but we have been pleased to find that considerable sums have come in from many sources including :—

Howell £4 12s. 4d., Twickenham Yacht Club £6 1s. 3d., Crown Hotel (per Mr. A. Williams) £7 8s. 9d., as well as the large and small amounts recorded on pp. 23 and 24.

(e) **Gifts in Kind** included the Egg Collection, Pound Week Gifts, and purchases for the Hospital made from the Birthday League.

In addition to these we record with thanks many gifts—large and small—during the year from grateful past-patients and friends of the Hospital, as well as that great gift of **personal service**, and here we desire to record the long and faithful services of Miss Scotcher, who is so assiduous in her attendance at the Sunday Services in the Hospital where she officiates at the Harmonium.

Thanks.

7. We desire to express our thanks to the Hon. Consulting and Hon. Medical Staffs for their readiness at all times to respond to the calls made upon their time and skill—to Mrs. A. C. Boucher for organizing the Annual Egg Collection and Pound Week ; to Mrs. E. Knaggs for organizing two big efforts, viz. :—Hospitals Day and Alexandra Day, and to all who assisted these ladies in their efforts which were of such financial assistance to the Hospital ; to well-known Charities where Sir William Barber, J.P., Mr. Montague Haslip, B.A., J.P., and others have so kindly used their influence to bring our needs to notice ; and finally to all who have in any way assisted towards maintaining the efficiency and usefulness of our Hospital—not forgetting our good old friend the *Richmond and Twickenham Times*.

In Conclusion.

8. Twice during the year we have suffered temporarily from enemy action. We record with gratitude the prompt assistance received on these occasions from the Fire Brigade, the Police, Wardens and other friends and helpers. Signed,

ARCHD. C. FORMAN.

We have examined the above Balance Sheet with the Books and Vouchers and certify the same to be correct. Also we have verified the Bank Balances and the Investments. To the best of our knowledge and belief the Regulations of the Revised Uniform System as modified by the instructions of King Edward's Hospital Fund relating to the treatment of Free Legacies dated December, 1940, have been followed.

YOU can help us !

- (1) If you are an Annual Subscriber—by filling up and sending us the "Form of Agreement to Contribute" by which you will greatly benefit the Hospital, without increasing the amount of your Subscription to be paid. Under the Exemption from Income Tax on Charitable Gifts—with Income Tax at 8/6 in the £, your subscription of £1 1s. 0d. gives the Hospital £1 16s. 6d. Your subscription of £2 2s. 0d. gives the Hospital £3 13s. 0d. and so on for higher amounts. The necessary form will be sent you on application.
- (2) If you are an Employer of Labour—by encouraging your employees to contribute a small amount weekly. Our Emergency Department is always available in time of accident.
- (3) By taking a Box and putting in "a penny a day" as a 'Thank offering for Good Health—to help those not so blessed. This is roughly the cost of one cigarette per day—a mere trifle—yet 1,000 people doing this would increase our income by over £1,500 annually.
- (4) If you have not joined one of the Contributory Associations (H.S.A. or H.S.F.)—by sending for particulars of the benefits for yourself and your family.
- (5) By supporting the activities promoted for the benefit of the Hospital, e.g., Found Week, Hospitals Day, etc., etc.
- (6) By reading this Report and then passing it on to a Friend, and so probably enlisting his interest and help.
